Condition of stock when loaded: (Please circle)    Clean                  Dry                  Wet                  Dirty

**Information about holding restrictions or results of analysis relevant to public health**

- The holding is not under movement restrictions for any other animal disease or public health reason
- Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animal(s) while on this holding and previous holdings.
- To the best of my knowledge the animals are not suffering from any disease or condition that may affect the safety of meat derived from them.
- No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.

**Please tick below boxes if applicable:**

- I confirm that these lambs have been produced in accordance to the Assured British Meat Standards, and have resided on an assured farm for no less than **60 days**.
- I confirm that these lambs have been resident on the final farm for a minimum of **20 days**.
- I declare that all **Welsh lambs** (if supplied as Welsh) have been born and reared in Wales (PGI Welsh Status)
- I declare that all **Cambrian Mountain Lambs** (if supplied as Cambrian) have been born and reared to Cambrian Mountain lamb specification.
