				<u>Number of Lambs Loaded</u>		

Section 2:

I declare that all lambs in this consignment:

- a) Comply with all current relevant legislation
- b) Are under 12 months of age (i.e. No permanent incisor teeth have erupted through the gum). Finest new seasons lambs must be under 6 months of age (under 8 months between October & January)
- c) Have been produced in accordance with all Red Tractor Beef and Lamb standards and Organic certification standards (as appropriate)
- d) Have resided on Red Tractor Beef and Lamb assured holdings for at least the last 60 days and have resided on the last holding for at least 20 days (30 days for M&S Select Farms)
- e) The haulier used (if applicable) is a member of the Red Tractor or QMS Farm Assurance Haulier Scheme and the animals were fasted for at least 3 hours prior to loading
- f) To the best of my knowledge the animals have not been treated with quinolones or 3rd and 4th generation cephalosporins or macrolides
- g) All animals comply with the Kepak Red Meat 'clean livestock policy'. I understand that any dirty animals may be clipped at my own expense

Section 3:

Compulsory Food Chain Information: Sheep and goats on this holding are NOT under movement restrictions for any animal disease or public health reasons (excluding a 6-day standstill). Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals whilst on this holding and previous holdings. To the best of my knowledge none of the lambs in this consignment are suffering from any disease or condition that may affect the safety of the meat derived from them. No analysis of samples taken from these animals or other animals on the holding has shown that the animals in this consignment have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues in meat.

Section 4:

Confirmation of PGI compliance	
a) The animals that are declared as West Country have been born, reared & finished within the West Country region and during their lifetime have been fed on a minimum 70% forage based diet and received a suitable period of grazing.	
b) The animals noted in Section 6 as Scotch are compliant with Scotch PGI requirements	
c) The animals noted in Section 6 as Welsh are compliant with Welsh PGI requirements	
d) I have attached a further sheet with additional information on any animals in this consignment which do not comply with all the conditions above (please tick if yes)	
Please tick the box opposite if the lambs have <u>NOT</u> been fasted for at least 3 hours prior to transport
